IMPORTANT INFORMATION ABOUT FILING A CLAIM

Funds owned by Original Owner:

If you are claiming as the original owner, you must provide proof of claim. The Wood County Auditor does not pay a claim on the basis of name alone.

Examples of Proof of Claim:

Owners of unclaimed funds must provide a clear copy of their personal ID. Examples of acceptable personal ID include driver's license, State ID, passport, or social security card.

Funds Owned by Businesses:

If the owner is a business, please include a copy of a document showing the company name, Tax ID number, and documentation proving the individual signing the form is an authorized agent of the business.

Funds Owned by More than One Owner:

Provide proofs of claims for each owner, unless any of the following apply:

Deceased: See "Deceased Owner" below.

Ex-spouse: Divorce documentation and your right to funds.

Custodian: If reported as a custodial account, provide copy of birth certificate and document showing child's legal age.

Joint "and" account: Signature of joint owner on the claim form and a copy of their personal ID, or proof of death of joint owner (i.e. death certificate) and your survivorship rights to the account.

Non-owner:

If the person seeking the receipt of the funds is not the owner, please provide evidence that the account belonged to the owner and that the person seeking receipt of the funds is the rightful recipient (legally entitled to claim the funds for the owner).

If the owner is incapacitated, proper documentation from the court showing a guardianship, custodial, or power of attorney relationship and a court order or permission from the guardian or custodian is required.

If the funds are from a previous marriage, documentation such as a marriage license or a divorce decree showing the claimant's previous name is required.

Deceased Owner:

If the owner is deceased, a copy of the death certificate and appropriate probate or trust documentation showing legal rights to the funds. If you are claiming as an heir of the original owner, you are required to submit a copy of your personal ID, a copy of the death certificate and legal documents showing your authority to collect the decedent's monies even if no estate was administered (i.e. Letter of Authority, Order of Distribution, Report of Newly Discovered Assets, or Release from Administration Form). Probate documentation must be "In Full Force and Effect" and under current date (within two years). This office will not pay a claim solely upon a will or death certificate. If a professional finder claims the funds of a deceased owner, a power of attorney signed by the executor is also required.

Professional Finder:

A professional finder is someone who is in the business of locating the owners of unclaimed funds. A professional finder is not necessary to file a claim.

If a professional finder is used, the check is issued in the names of both the professional finder and the owner of the funds. The check will be mailed to the professional finder. Professional finders must submit a W-9 form with the proof of claim.
